Maybe if the city stops using LAPD to occupy empty streets they could use some of that budget to provide water to everyone to slow the spread of COVID-19. Just a thought.

Hello, my name is Casey Welch and I am your constituent from Sun Valley. I'm writing to ask Supervisor Barger to adopt the proposals advanced by the Healthy LA Coalition. It's urgent to protect the people most vulnerable in this crisis — workers, immigrants, tenants, and unhoused people. Our families and vulnerable community members need immediate action to protect our health and our livelihoods. At tomorrow's meeting, I urge Supervisor Barger to support motions to:

#### RENT RELIEF

Institute a Complete and Universal Eviction Moratorium. No one should be forced to contend with an eviction notice from their landlord because of this public health crisis.

Provide Rent Forgiveness. Working people won't have the money to pay back rent from a time when they weren't employed. They shouldn't emerge from this crisis in debt. At the very least, tenants should have at least 24 months to repay back rent, with no late fees or interest charges.

#### PROTECTIONS FOR WORKERS

Provide 14 days of Paid Sick Leave to all workers and prohibit retaliation against those who take it. Workers must feel safe to stay home through their illness for the public's safety.

Prioritize Workplace Health and Safety, including mandated paid time for and access to hand-washing and sanitizing, provision of protective gear, and appropriate training for those still at work, especially grocery workers, food service workers, and delivery drivers.

#### PROTECTIONS FOR UNDOCUMENTED PEOPLE

Stop all transfers of undocumented Angelenos to ICE and the Adelanto immigration prison, which are cruel normally and a health nightmare during the pandemic.

Create a cash assistance fund for undocumented workers including street vendors and the estimated 20% of L.A.'s workforce that is undocumented in industries like domestic work, home health care, day labor, carwash, garment, restaurant, and more. It's not fair that the people who make our city work won't get any support from the federal government's bailout.

#### PROTECTIONS FOR UNHOUSED PEOPLE

Use private hotel/motel rooms to safely shelter unhoused people. There's nearly 100,000 rooms in LA County and with the crisis, most are vacant and the workers who staff them are employed. We can take care of people who are especially vulnerable to the pandemic and get the hospitality workforce paid again.

Create neighborhood supply stations for unhoused people with ready-to-eat food, water, soap, and first aid supplies. The COVID-19 pandemic has shut down many food pantries and

Date: Monday, March 30, 2020 12:47:59 PM

---

Hello, my name is Alex Carcieri and I am your constituent from Each Park (LA 90026). I'm calling to ask Supervisor Solis and other supervisors to adopt the proposals advanced by the Healthy LA Coalition. At tomorrow's meeting, I urge Supervisor Solis to support motions to:

1. Institute a **Complete and Universal Eviction Moratorium**. No one should be forced to contend with an eviction notice from their landlord because of this public health crisis.
2. **Provide Rent Forgiveness**. Working people won't have the money to pay back rent from a time when they weren't employed. They shouldn't emerge from this crisis in debt. At the very least, tenants should have at least 24 months to repay back rent, with no late fees or interest charges.
3. Provide **14 Days of Paid Sick Leave** to all workers and prohibit retaliation against those who take it. Workers must feel safe to stay home through their illness for the public's safety.
4. Prioritize **Workplace Health and Safety**, including mandated paid time for and access to hand-washing and sanitizing, provision of protective gear, and appropriate training for those still at work, especially grocery workers, food service workers, and delivery drivers.
5. **Stop all transfers of undocumented Angelenos to ICE** and the Adelanto immigration prison, which are cruel normally and a health nightmare during the pandemic.
6. Create a **Cash Assistance Fund for Undocumented Workers** including street vendors and the estimated 20% of L.A.'s workforce that is undocumented in industries like domestic work, home health care, day labor, carwash, garment, restaurant, and more. It's not fair that the people who make our city work won't get any support from the federal government's bailout.
7. **Use motel rooms to safely shelter unhoused people**. There's nearly 100,000 rooms in LA County and with the crisis, most are vacant and the workers who staff them are unemployed. We can and should take care of people who are especially vulnerable to the pandemic and get the hospitality workforce paid again.
8. **Create neighborhood supply stations for unhoused people** with ready-to-eat food, water, soap, and first aid supplies. The COVID-19 pandemic has shut down many food pantries and programs that provide life-saving meals and hygiene supplies to low-income and vulnerable populations. With the demand for these essential supplies at an all-time

high, people need to be able to access food and supplies easily in their own neighborhoods.

PLEASE protect your community and those who are in less fortunate circumstances, the sick and those who want to remain healthy during this uncertain time. Have been a LA resident for over 15 years. We care about our families and community and are now relying on you to help protect us. We can't rely on the federal government that have already waited too long and its now too late, our friends and family are dying around us.

**Date:** Monday, March 30, 2020 1:15:13 PM

---

Hello, my name is Annie Gimas and I am your constituent from East Hollywood. I'm writing to ask Mark Ridley-Thomas to adopt the proposals advanced by the Healthy LA Coalition. It's urgent to protect the people most vulnerable in this crisis — workers, immigrants, tenants, and unhoused people. Our families and vulnerable community members need immediate action to protect our health and our livelihoods. At tomorrow's meeting, I urge Supervisor, Mark Ridley-Thomas, to support motions to:

#### RENT RELIEF

- Institute a **Complete and Universal Eviction Moratorium**. No one should be forced to contend with an eviction notice from their landlord because of this public health crisis.
- Provide **Rent Forgiveness**. Working people won't have the money to pay back rent from a time when they weren't employed. They shouldn't emerge from this crisis in debt. At the very least, tenants should have at least 24 months to repay back rent, with no late fees or interest charges.

#### PROTECTIONS FOR WORKERS

- Provide **14 days of Paid Sick Leave to all workers** and prohibit retaliation against those who take it. Workers must feel safe to stay home through their illness for the public's safety.
- Prioritize **Workplace Health and Safety**, including mandated paid time for and access to hand-washing and sanitizing, provision of protective gear, and appropriate training for those still at work, especially grocery workers, food service workers, and delivery drivers.

#### PROTECTIONS FOR UNDOCUMENTED PEOPLE

- **Stop all transfers of undocumented Angelenos** to ICE and the Adelanto immigration prison, which are cruel normally and a health nightmare during the pandemic.
- **Create a cash assistance fund for undocumented workers** including street vendors and the estimated 20% of L.A.'s workforce that is undocumented in industries like domestic work, home health care, day labor, carwash, garment, restaurant, and more. It's not fair that the people who make our city work won't get any support from the federal government's bailout.

#### PROTECTIONS FOR UNHOUSED PEOPLE

- **Use private hotel/motel rooms to safely shelter unhoused people**. There's nearly 100,000 rooms in LA County and with the crisis, most are vacant and the workers who staff them are employed. We can take care of people who are especially vulnerable to the pandemic and get the hospitality workforce paid again.
- **Create neighborhood supply stations for unhoused people** with ready-to-eat food, water, soap, and first aid supplies. Date: Monday, March 30, 2020 4:42:43 PM

---

Hello, my name is Sophie Strauss and I'm a Los Angeles resident--I'd like to voice several comments ahead of Tuesday's meeting.

**Agenda 15: MOTION TO RATIFY TENANT PROTECTIONS**

Despite being one of the wealthiest cities in the nation, Los Angeles also has one of the most rapidly-increasing homeless populations in the country. We cannot let that number double or even triple because our county won't take care of our most vulnerable inhabitants in the face of a global crisis. We MUST help our community remain housed throughout this pandemic. The county needs to do everything it can to protect us. Many of us are having our working hours cut way back or getting laid off all together as a direct result of COVID19. We are appreciative of the action the county has taken to protect residents by banning no-fault evictions and evictions of tenants who can prove they have lost income due to COVID19 but it is simply not enough. We absolutely NEED the county to halt ALL evictions and foreclosure proceedings at every stage. This is an emergency and places like San Mateo and Santa Clara Counties have already done this. It's legal and we need to get it done.

The notion that we have to somehow prove our livelihood has been impacted by COVID is bordering on cruelty amid this crisis. We have ALL been ordered to stay at home, how could we possibly deny that nearly every single person's livelihood hasn't been impacted by such an order? The proof is everywhere, just look outside at the empty streets and shuttered businesses. How inhumane to force already-vulnerable human beings to grovel just to further prove the obvious: this is a time of unbelievable struggle. To do anything less than comprehensively protect tenants by halting ALL evictions and even enacting a rent moratorium is going to hurt our community further. What happens if, in the middle of this crisis, even more human beings are forced onto the streets, into prisons, into cramped shelters? How are they supposed to shelter in place, how are they supposed to practice safe social distancing and help slow the spread of this virus and get our community back to work if they don't have anywhere left to shelter?

**Agenda 27: Utility Moratorium**

We must place a moratorium on the shutoff of utilities during this crisis. How are our citizens supposed to follow CDC guidelines of frequent hand washing without any running water to wash their hands in?

**Agenda 28: Interim Beds**

LA County must open access vacant county-owned buildings, lots, and park space for unhoused community members to camp and provide items needed to stop the spread of COVID-19. Also, there are almost 100,000 hotel / motel rooms in LA County -- most are currently vacant as the hospitality industry has been hit hardest by this crisis. We must take care of people who are especially vulnerable to the pandemic and get the hospitality workforce paid. The Board must allocate funding to provide vouchers to allow unhoused residents of LA County into these rooms as soon as possible, and increase outreach to ensure the people who need them are receiving them.

Finally, the largest stock of public restrooms and handwashing stations in LA County are in public parks, beaches, and government properties. With the closure of businesses and dine-in restaurants, these are now some of the only sanitation and personal hygiene resources available to unhoused Angelenos, and are essential to help slow the spread of COVID-19 and protect all Angelenos. These should be made available around the clock and without delay.

**Agenda 13: Undocumented Angelenos**

I support the Motion to Ensuring Adequate Efforts to Prevent COVID-19 Among Justice-Involved Populations. Los Angeles is supposed to be a sanctuary for our undocumented neighbors, and yet they are not only often abused by law enforcement and put in cages, but their treatment puts them at increased risk for contracting and spreading COVID. We must do everything in our power to reduce the number of human beings currently incarcerated locally. Jails, prisons, and detention centers are already hotbeds for violations of human rights, but during this pandemic they become literal Petri dishes--where cramped conditions and little access to necessary sanitation supplies leads to rapid and widespread proliferation of the virus among both the people inside these centers and the people who work at them. In order to slow the spread of Covid19, I support the demands of Justice LA ([http://secure-web.cisco.com/1V82kQle6YqJJ9L8faEPHba6i3H4Or3-fbX0HICzYes8h1CEEEd0A9TO56cHvezohbCii7eQPIEKei0EbVeYLC0GomjnDdJnglFPevzj0a1FuQEN088y0TixGZLWDWQ6L6JL-PDXDU8AbgccQOz\\_zwqNk86enOZRfV8h14gflveue6bwaT9Z\\_G9ZJajQeTwBmD0SX7TadDX6Z2yxKE3vzC-dfHKTev\\_YOIW5B69HiEauPrJL\\_Xdfju8JYPRh55FjH26bseSEh-8Hd\\_Bq4WDJG\\_0Dt4S26yMPbwHJNmnOGrdmq1j6jaKdg92GUvSJ92wB6sET398zPMMPPTIXC078sxASRUfla4do5nF6x5YZ3oABwQ8cYUJCybDt7TwQtsAS\\_iYUH3P\\_nHBiSS5-A88\\_FiQ/http%3A%2F%2Fwww.justicela.org](http://secure-web.cisco.com/1V82kQle6YqJJ9L8faEPHba6i3H4Or3-fbX0HICzYes8h1CEEEd0A9TO56cHvezohbCii7eQPIEKei0EbVeYLC0GomjnDdJnglFPevzj0a1FuQEN088y0TixGZLWDWQ6L6JL-PDXDU8AbgccQOz_zwqNk86enOZRfV8h14gflveue6bwaT9Z_G9ZJajQeTwBmD0SX7TadDX6Z2yxKE3vzC-dfHKTev_YOIW5B69HiEauPrJL_Xdfju8JYPRh55FjH26bseSEh-8Hd_Bq4WDJG_0Dt4S26yMPbwHJNmnOGrdmq1j6jaKdg92GUvSJ92wB6sET398zPMMPPTIXC078sxASRUfla4do5nF6x5YZ3oABwQ8cYUJCybDt7TwQtsAS_iYUH3P_nHBiSS5-A88_FiQ/http%3A%2F%2Fwww.justicela.org)) including:

Early Release: reduce overcrowding and prioritize early release options for those who are not a risk to public safety.

Improve Custody Conditions: deep cleaning, early screening and social distancing for workers, visitors and those who live in the jail.

Reduce Arrest and Booking: suspend arrests (drug arrests, sex work, status offenses, etc.), and arrests for bench warrants.

Prioritize Civil Liberties and Enhance Funding for Community Based Services: increase funding to local service providers to support those released from jail.

Undocumented residents must also be protected by ending all transfers of immigrants—who have already served their time and are due for release back to their homes and families — to Immigration and Customs Enforcement (ICE) and the Adelanto immigration prison. Specifically, following the action the City of Los Angeles has already taken, the County of Los Angeles should no longer facilitate the arrest of a person by federal immigration authorities, unless it is pursuant to a judicial probable cause determination for a criminal offense, or otherwise required by law. Such transfers are cruel normally and a health nightmare during a pandemic.

These matters are quite literally matters of life and death. If the County Council doesn't do everything within their power to enact these measures and protect our people, the toll of this virus will be even more astronomical than it already is and there will be blood on the council's hands.

Thank you for your time,  
Sophie

**RE: SUPPORT FOR AGENDA ITEM 27, "WATER UTILITY SHUTOFF MORATORIUM FOR ALL LOS ANGELES COUNTY CUSTOMERS OVER WHOM LOS ANGELES COUNTY DEPARTMENT OF PUBLIC HEALTH MAINTAINS JURISDICTION"**

Honorable Chair Barger, Chair Pro Tem Solis, and Supervisors Hahn, Kuehl, and Ridley-Thomas,

We, the undersigned, urge your immediate action to protect access to water for everyone in Los Angeles County during this public health crisis. The COVID-19 emergency requires an immediate and uncompromising commitment to protect all Angelenos. One of the most fundamental protections is the ability to stay Safer at Home to reduce the spread of the pandemic. Water is essential to avoid spreading this virus, a critical component of the CDC's hygiene recommendation, as well as for drinking, laundry, and bathing.

The economic impacts of the Shelter in Place order have left hundreds of thousands of people out of work or with reduced hours, worried about how to pay their bills. Some are protected from utility shutoffs by the California Public Utilities Commission or by their city-run agency. However, around 20% of County water customers are served by mutual water agencies or special districts, with around 25% more customers served by small city-run agencies, most of which have not yet adopted measures to halt water shutoffs during the COVID-19 emergency.

We applaud Supervisors Kuehl and Barger for bringing forth their motion, Agenda Item 27, to ensure all Los Angeles County customers have access to water at this critical time. The undersigned support swift action in enacting this motion. We look forward to working with the County on the implementation of these protections, as well as protections for those experiencing homelessness and those without safe tap water.
